Brake Controller Information Form #080

Dear Customer, please answer the questions listed below so we can match up one of our brake control systems to you needs. Circle or highlight the appropriate answer. Fax or e-mail this sheet back to us.

1. Ski Area Name:_____
2. Ski Area Location:_____
3. Ski Area contact name:_____
4. Lift Name:_____
5. Lift Manufacturer:_____
6. Year Lift Installed:_____
7. Voltage desired for brake system pump unit? 12V DC 24V DC
8. Number of brakes to be controlled by unit? 1 2 3 4

9. Service Brake Control Voltage? 12V DC 24V DC
10. Service Brake Release Pressure? _____ PSI
11. Service Brake Operating Pressure? _____PSI
12. Release Control? Pressure Switch Limit Switch
13. Description of Service Brake?_____
_____
_____

14. Low Speed Backstop control Voltage? 12V DC 24V DC
15. Low Speed Backstop release pressure? _____PSI
16. Low Speed Backstop Operating Pressure? _____PSI
17. Release Control? Pressure Switch Limit Switch
18. Description of Low Speed Backstop?_____
_____
_____

19. Emergency Brake Control Voltage? 12V DC 24V DC
20. Emergency Brake Release Pressure? _____PSI
21. Emergency Brake Operating Pressure? _____PSI
22. Release Control? Pressure Switch Limit Switch
23. Description of Emergency Brake?_____
_____
_____

24. Traction Rope Brake Control Voltage? 12V DC 24V DC
25. Traction Rope Brake Release Pressure? _____PSI
26. Traction Rope Brake Operating Pressure? _____PSI
27. Release Control? Pressure Switch Limit Switch
