### **Insert Chair Clip:** CC-07 - 1-1/2" Ø Rope

#### **FEATURES**

1. Made from nickel steel (strongest and toughest steel commercially available.)
2. Heat treated for maximum toughness and life.
3. Forged to fit the rope and minimize the damage to the rope and wires.
4. Number coded for accurate tracking of in-service units.
5. Designed and manufactured to be used on Riblet Double, Triple, or Quad Chair lifts.
6. Designed for 1-1/2" Ø wire rope; replacing the Riblet #9 chair clip.
7. Comes with a 10 year pro-rated warranty.
8. 1-3/8" Ø or 1-1/8" Ø shank.

*CC-07 shown with 1 1/8" shank*
